New York State CDBG-DR Application Available Review

The Town of Islip announces that it intends to submit an application for New York State Community Development Block Grant-Disaster Recovery (CDBG-DR) Program funds on or about October 16, 2015 for the following project:

Oakdale / West Sayville Backflow Prevention / Check Valves for Storm Drainage Systems

Activity: New York State CDBG-DR funds will be used to install check valves on major drainage outfalls.

Objective: To provide backflow prevention and check valves and other flood prevention measures to the residents of the Oakdale / West Sayville NY Rising Community.

Location: The target area is composed of two distinct hamlets, Oakdale and West Sayville, and a portion of the Hamlet of Sayville both located along the south shore of Long Island in the Town of Islip, Suffolk County, New York.

Amount: \$314,977.17 for Design and Construction.

A copy of the application will be available for review during normal business hours at Islip Town Hall, 655 Main Street, Islip, NY subject to the submission of a duly completed F.O.I.L. request and the restrictions set forth by New York State Law.

All citizens, particularly persons of low- and moderate-income and residents of blighted areas, as well as those affected by the project are encouraged to submit their comments, views and proposals by October 15, 2015 to the Town at the following address:
